Alphabetical section in the directory?

Boater Safety Class Scheduled in June

The Indiana Boaters Safety Class sponsored by the Lake James Association is scheduled for Saturday, June 6 at the Presbyterian Chapel of the Lakes.

Registration begins at 7:30 a.m., with classes starting promptly at 8:00 a.m.

The classroom course studies the "rules of the water", navigation skills, basic boating knowledge and safety procedures.

In Indiana, you must have an automobile driver's license, be 21 or be 15 years old and have passed this course in order to operate a boat more than 10 mph on public waterways.

Pre-registration is available by calling Rene Scheimann at 833-3181.

There is no charge for the course, however, donations to the LJA to cover expenses are greatly appreciated.

Directory Information

If there are any changes of information for the directory, we must receive the change by February 1st. Make any change on the L.J.A. form and return to Pam Bell, 335 LN 200E, Lake James, Angola, IN.

The Lake Association Needs YOU !

Submitted by Connie Anderson, Public Relations

Thanks to all of you who have continually supported us with your \$20 dues and generous donations, kind words, attendance at neighborhood and annual meetings and for learning how to tolerate zebra mussels!

I think Uncle Sam already said this, but honestly and enthusiastically I say, "WE NEED YOU!" We want new members, our old ones back and definitely more active participation. Short of standing on our heads, parading around the lake with megaphones or even knocking on your doors, what can we say or do to make you realize how important you-all of us-really are when it comes to the living, the working, the playing on Lake James? Whether you agree or disagree right now with any current issue or topic is not the point.

Participation in our Lake James Association is the point. We need to be a direct voice, the represented voice, the democratic voice that provides careful planning and productivity, advice, common sense, foresight and intelligence in all matters that concern each and every Lake James property owner, member or non-member.

We can be as weak or as strong as we want to be as we work with organizations such as the Steuben County Lakes Council, the plan commission, the board of zoning appeals, our regional waste district and many others.

Consider the following statements below. If you currently are not a member, fill out the form and mail it to Pam Bell, LJA, 335 LN 300 E, Lake James, Angola, IN 46703.

Your reactions to these statements is why you need to join!

Sports Club

Prepares For Varied Summer Activities

The Lake James Sports Club says, "Welcome" to newcomers and, "Hello, again, to ye ol' lakers". To you who don't know us, we are water sports enthusiasts, family oriented, promoting safe boating and recreational fun. We welcome all to join our club. Memberships are: individual-\$15; family-\$20; business-\$45. Donations for a new ski jump are greatly appreciated.

After many years of dedication and hard work with rewarding results, several of the major organizers of the Lake James Sports Club are retiring.

This creates a huge void and raises the question, "Are there any folks who are interested in getting involved with the club?"

Just in case you are new to the area, you probably are wondering what the club is all about. The Lake James Sports Club has been around for more than 25 years. Although its primary interest today is performing water ski shows to earn money, they also organize the Grand Turtle Races on Memorial Day, a fall hayride, a potluck and other activities.

Now after all these years, the club is fading. The club is just one of the highlights that makes this more than just a vacation spot.

Come and join in! Call either Terry Archbold at 833-3633 or Leslie Matthews at 833-3401 (weekends) for more information.

A general meeting will be held May 2 at 5:30pm at Sunset Inn.

Fireworks Set for 4th of July at Pokagon

The annual Fourth of July fireworks begin at 9:15 p.m. Saturday, July 4 at the Potawatomi Inn beach.

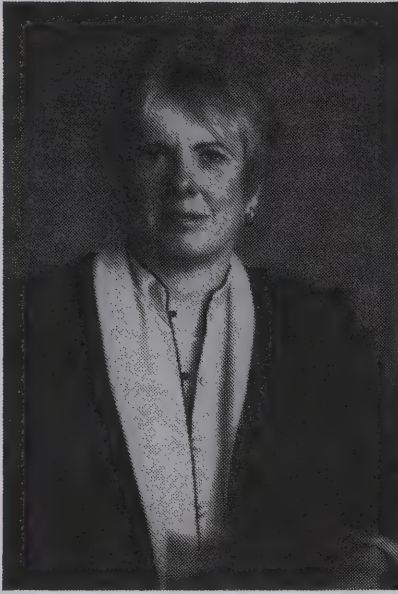

Raindates are Sunday, July 5 and Saturday, July 11.

In order to ensure the success of the fireworks, the Lakes Recreation Association is requesting donations.

These may be sent along with your dues or separately to the Lakes Recreation Association, c/o Linda Schwertzfager, 617 Sarah Dr., Angola.

What is Lake James Christian Assembly? A Christian Camp & Retreat Center.

Our Summer Youth Program is designed for 1st grades through college age. For the past sixty-nine years young people from the Tri-State Area have participated in this annual Christian camping event. During the rest of the year the camp is enjoyed by all ages in weekend retreats and family programs. The assembly is owned and operated by the Christian Churches/Churches of Christ in Northern Indian, Northwest Ohio and South Central Michigan.

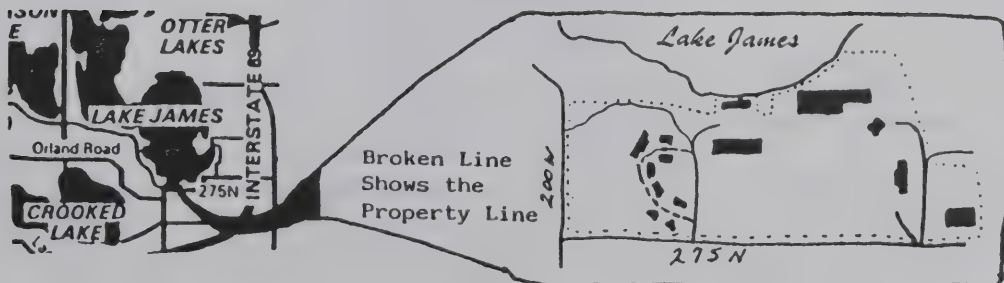

“Rules for acceptance and participation in the program are the same for everyone without regard to race, color, sex, age, handicap, religion or national origin. Any person who believes he or she has been discriminated against in any USDA-related activity should write to: Secretary of Agriculture, Washington, D.C. 20250.”

During the Summer Youth Program, Bible classes are taught each day, with New Testament Christianity being the basis for our doctrinal belief. All faculty volunteers are members of our supporting churches and colleges. Our mission statement: “Help young people and adults develop their spiritual, social and physical lives according to God’s Word, the Bible.”

~Special Attention all Cottage Owners & Lake Visitors~

Lake James Christian Assembly is located at 1800 W 275 N Lake James and has been at the present location since 1929. The broken lines on the map below outlines the Assembly’s property lines. **Please remember that this is not a public park, but a private campgrounds.** Area cottage owners and lake visitors are requested to keep this in mind at all times. **Trespassing in any form will NOT be tolerated and all violators will be prosecuted.** (This includes: use of sports equipment and fields, hunting, bike riding, motorcycling, snowmobiling, camping, swimming, skateboarding, rollerblading, etc.) **The Assembly will not be responsible for any accidents due to anyone trespassing!**

Thank-You
Board Directors and Camp Manager

Commercial Containers 1-10 yards
Temporary Containers 2-4 yards

1. All garbage and rubbish should be within ten (10) feet of the road side by 6:00 a.m. on Monday.
2. Garbage and rubbish must be bagged or contained inside a can — NO LEAVES OR YARD WASTE can be collected due to State yard waste ban. Please use Steuben County compost location on 200W by fairground. NO TIRES.
3. Any large items, or any other removal needs, please contact Serv-All, Inc. and let them know in advance, they may need to be hauled separately, and there may be an extra charge (telephone 800-232-8801).
